PS2: Who Responded to the Invasion?

Great powers and regional actors drove the response — reflecting renewed geopolitical competition

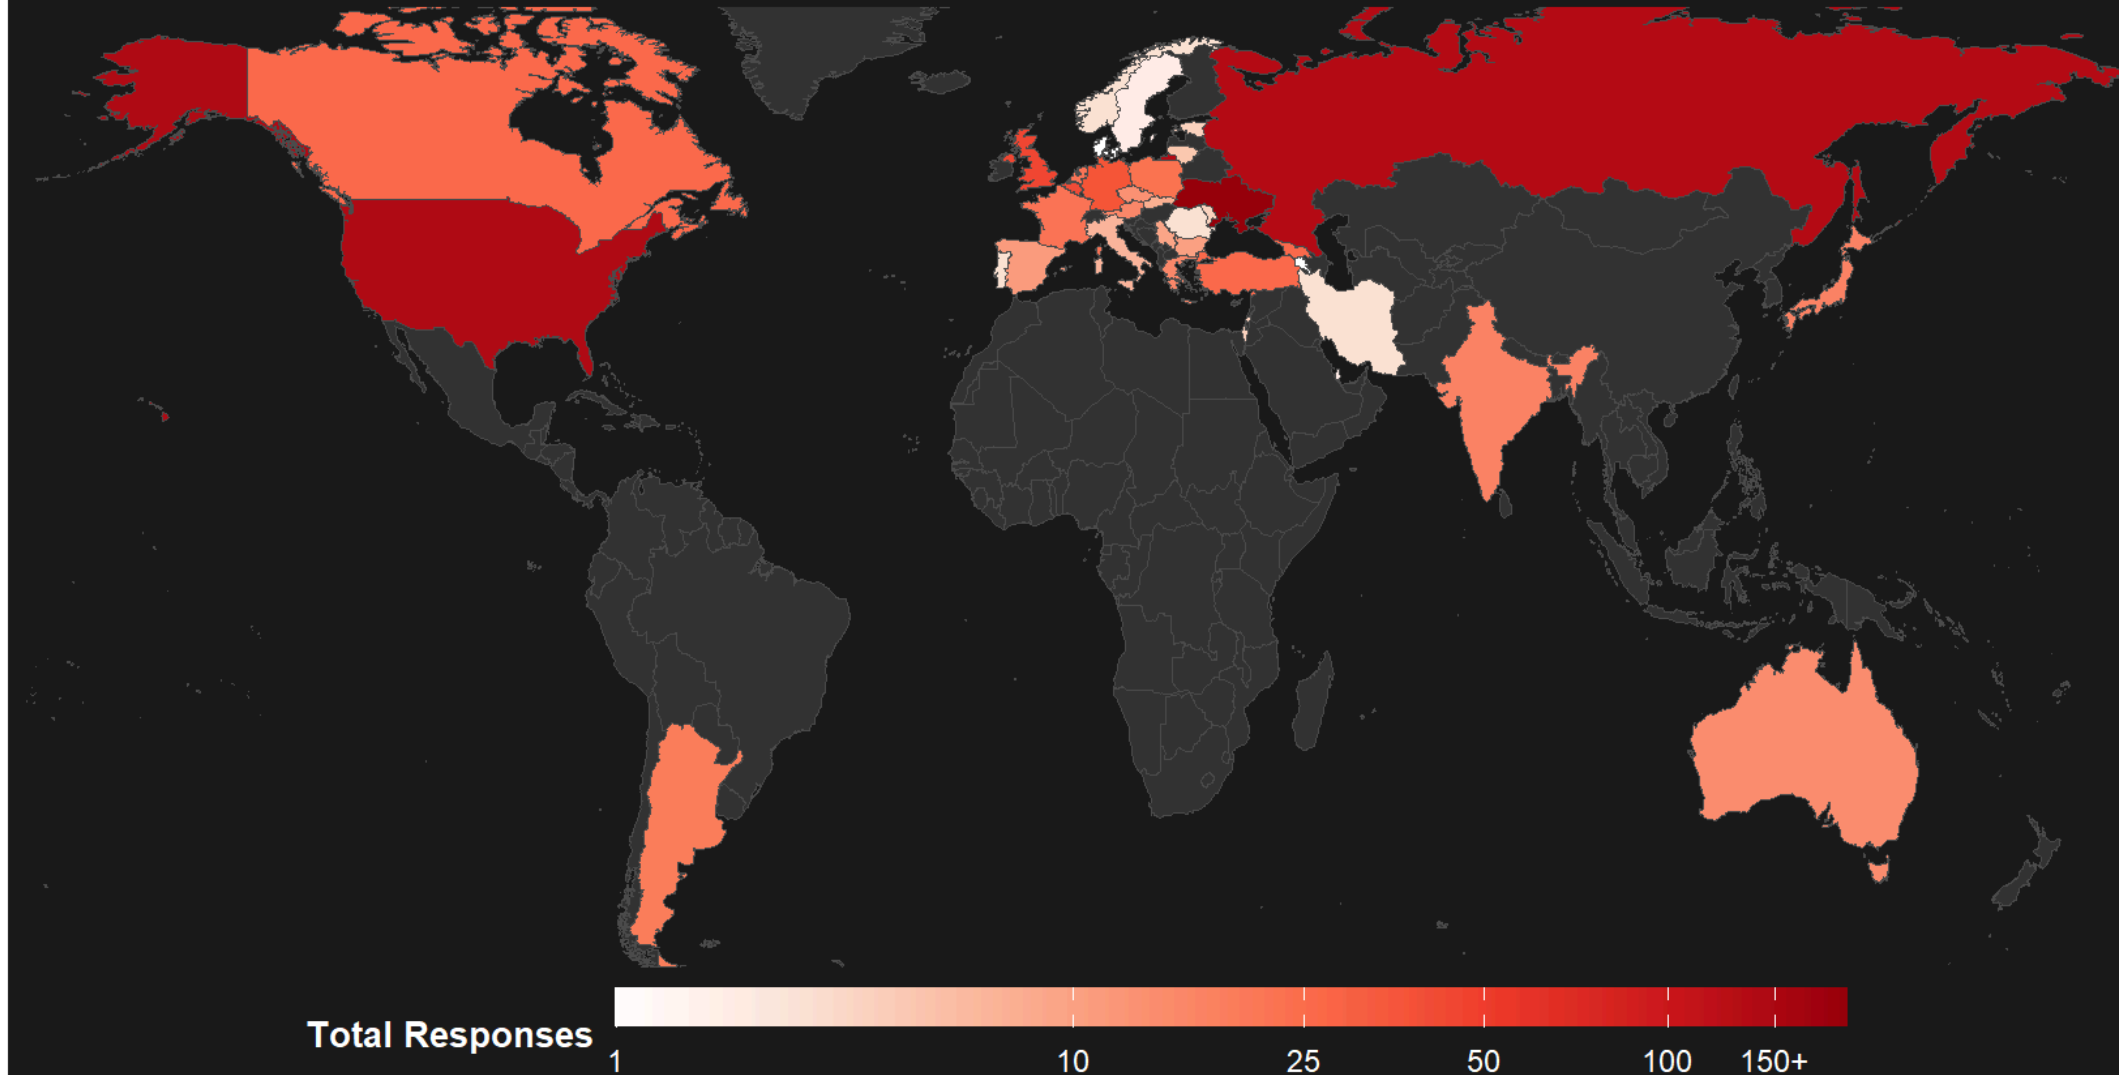

Source: Janes Intelligence Review (Feb-Apr 2022). Countries selected to show major responders across alliance structures.

Global Response Intensity

Map Indicates that responses to Ukraine were mostly between Great Powers

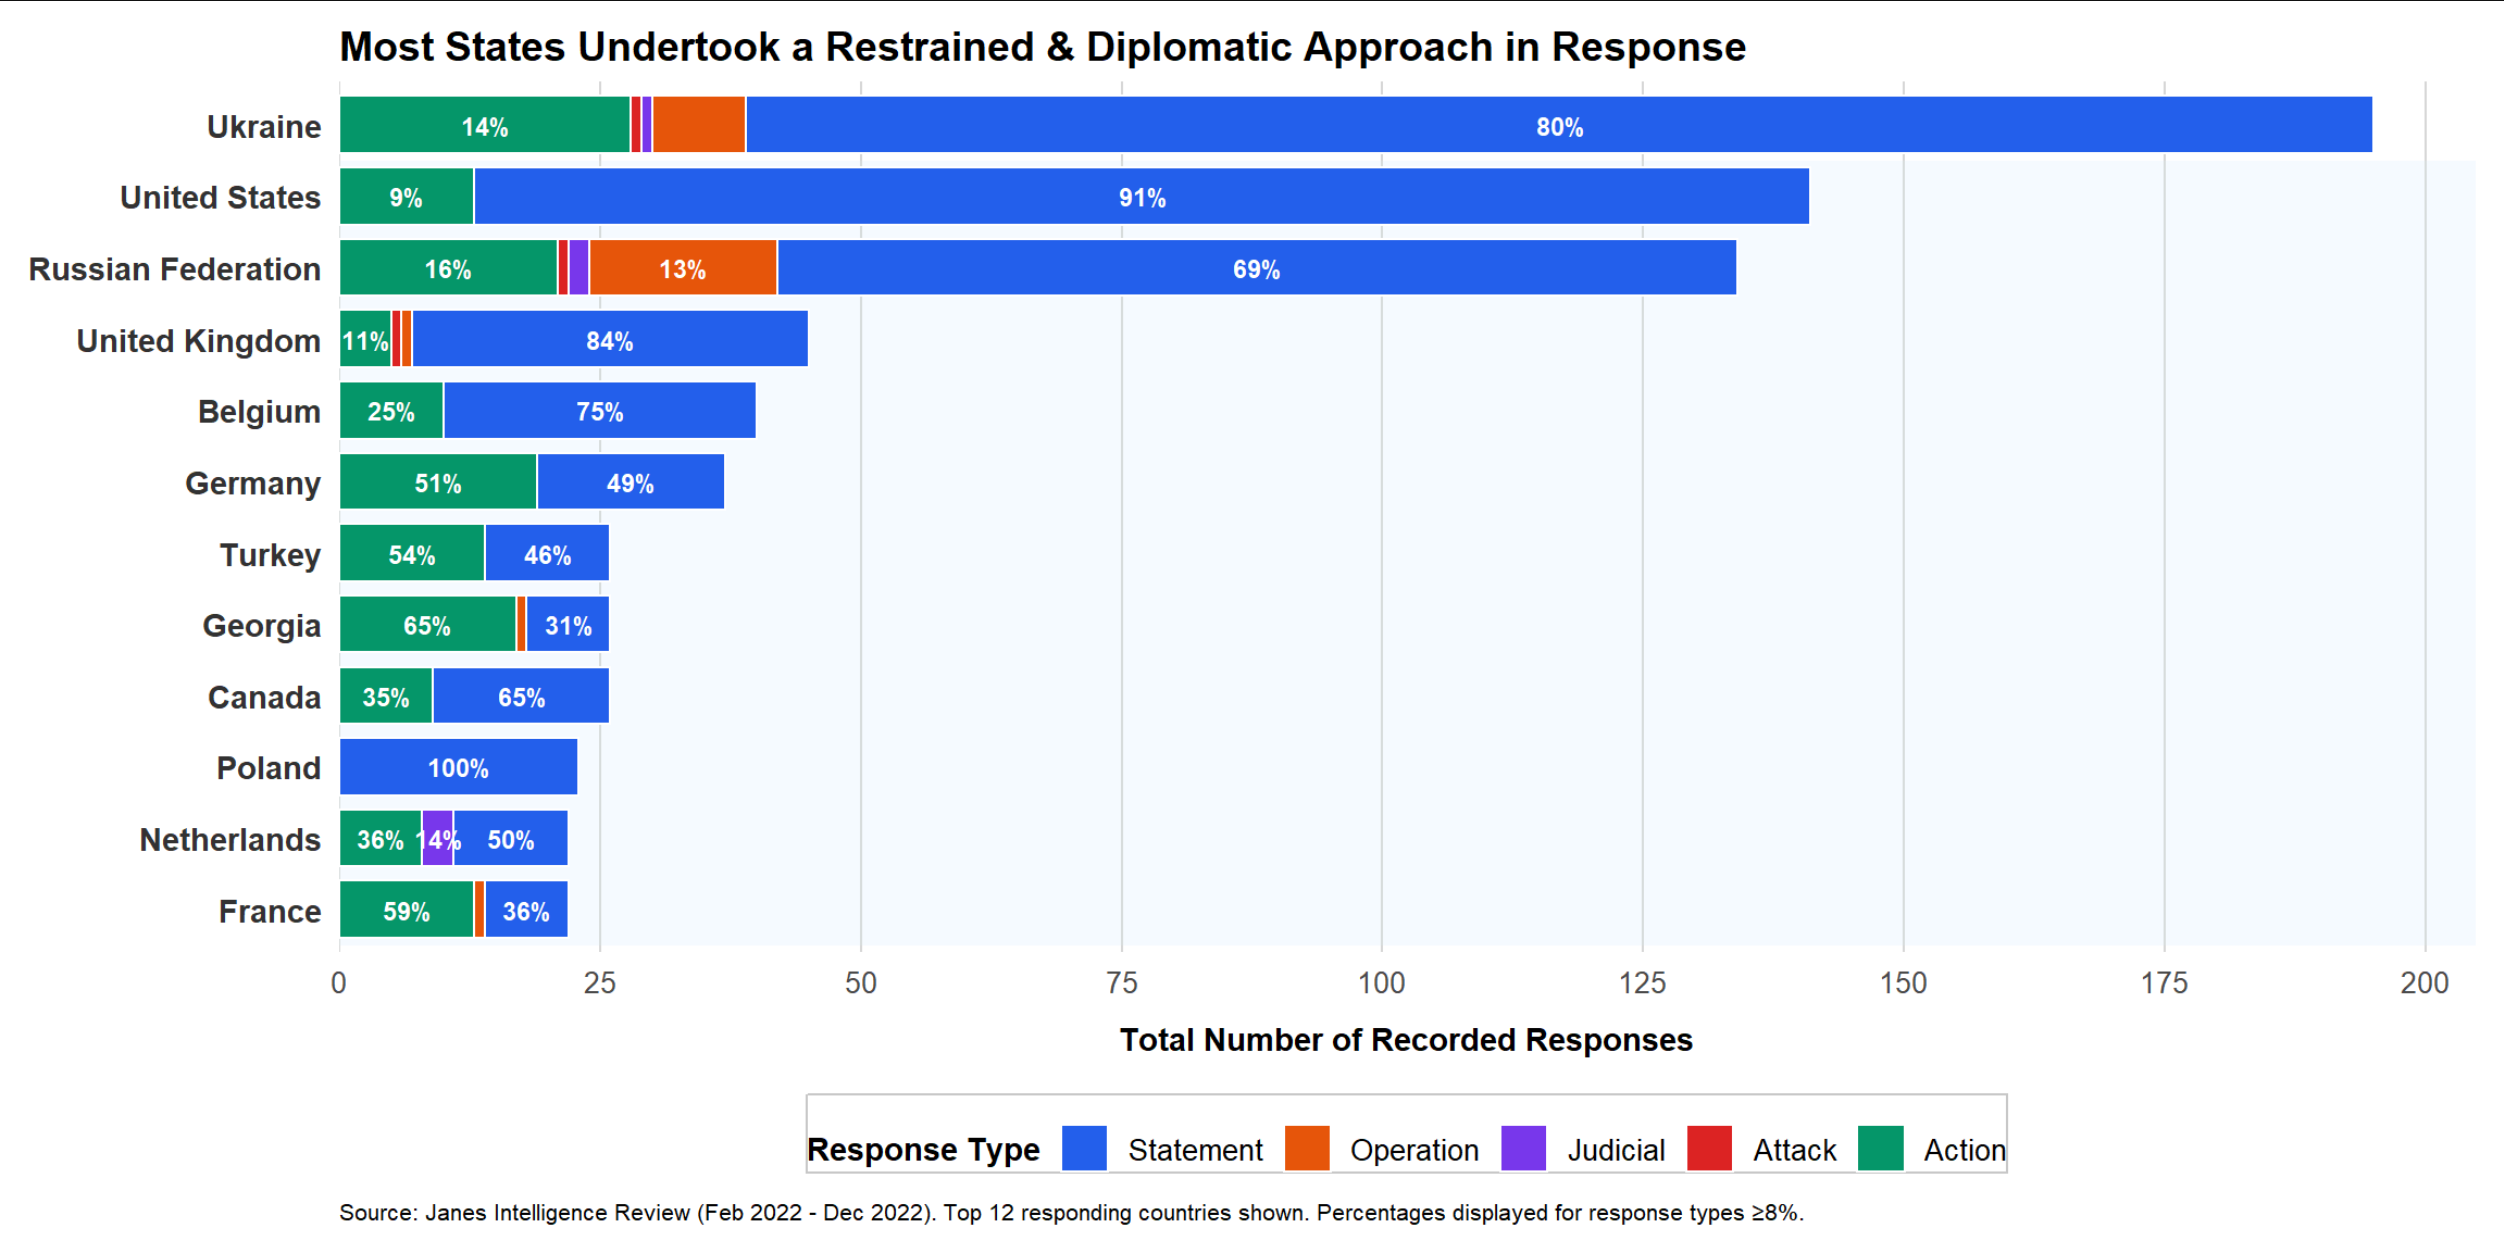

Other Non-NATO Responses Indicate Clear Global Concern-India, Argentina, Japan

Source: Janes Intelligence Review (Feb-Dec 2022). Note: Russia, Ukraine, Georgia, UK employed Operations/Attacks, but less so than actions & statements

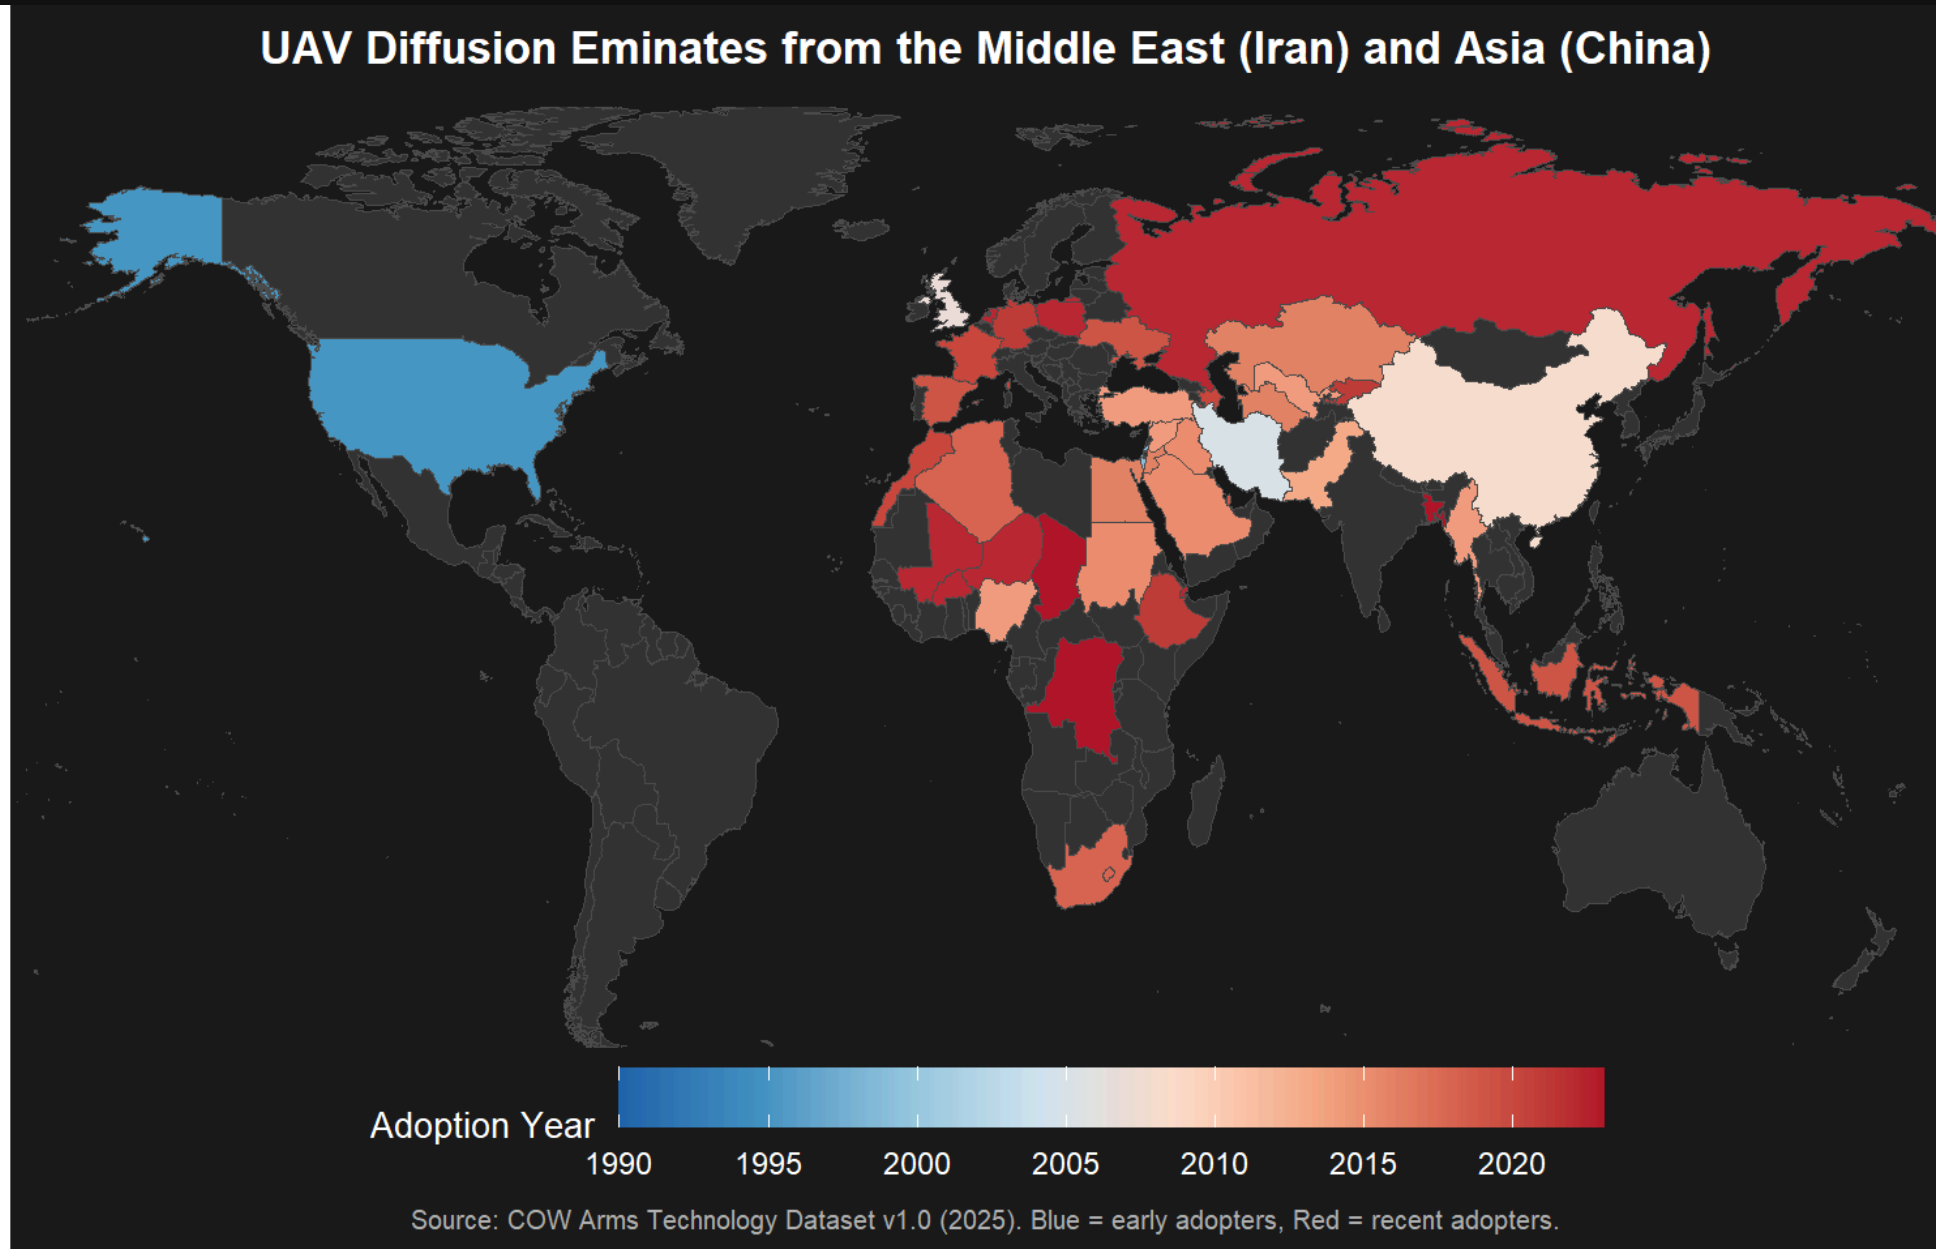

Response Type by Country

States employed different response strategies

PS4: Diffusion of Armed UAV Adoption

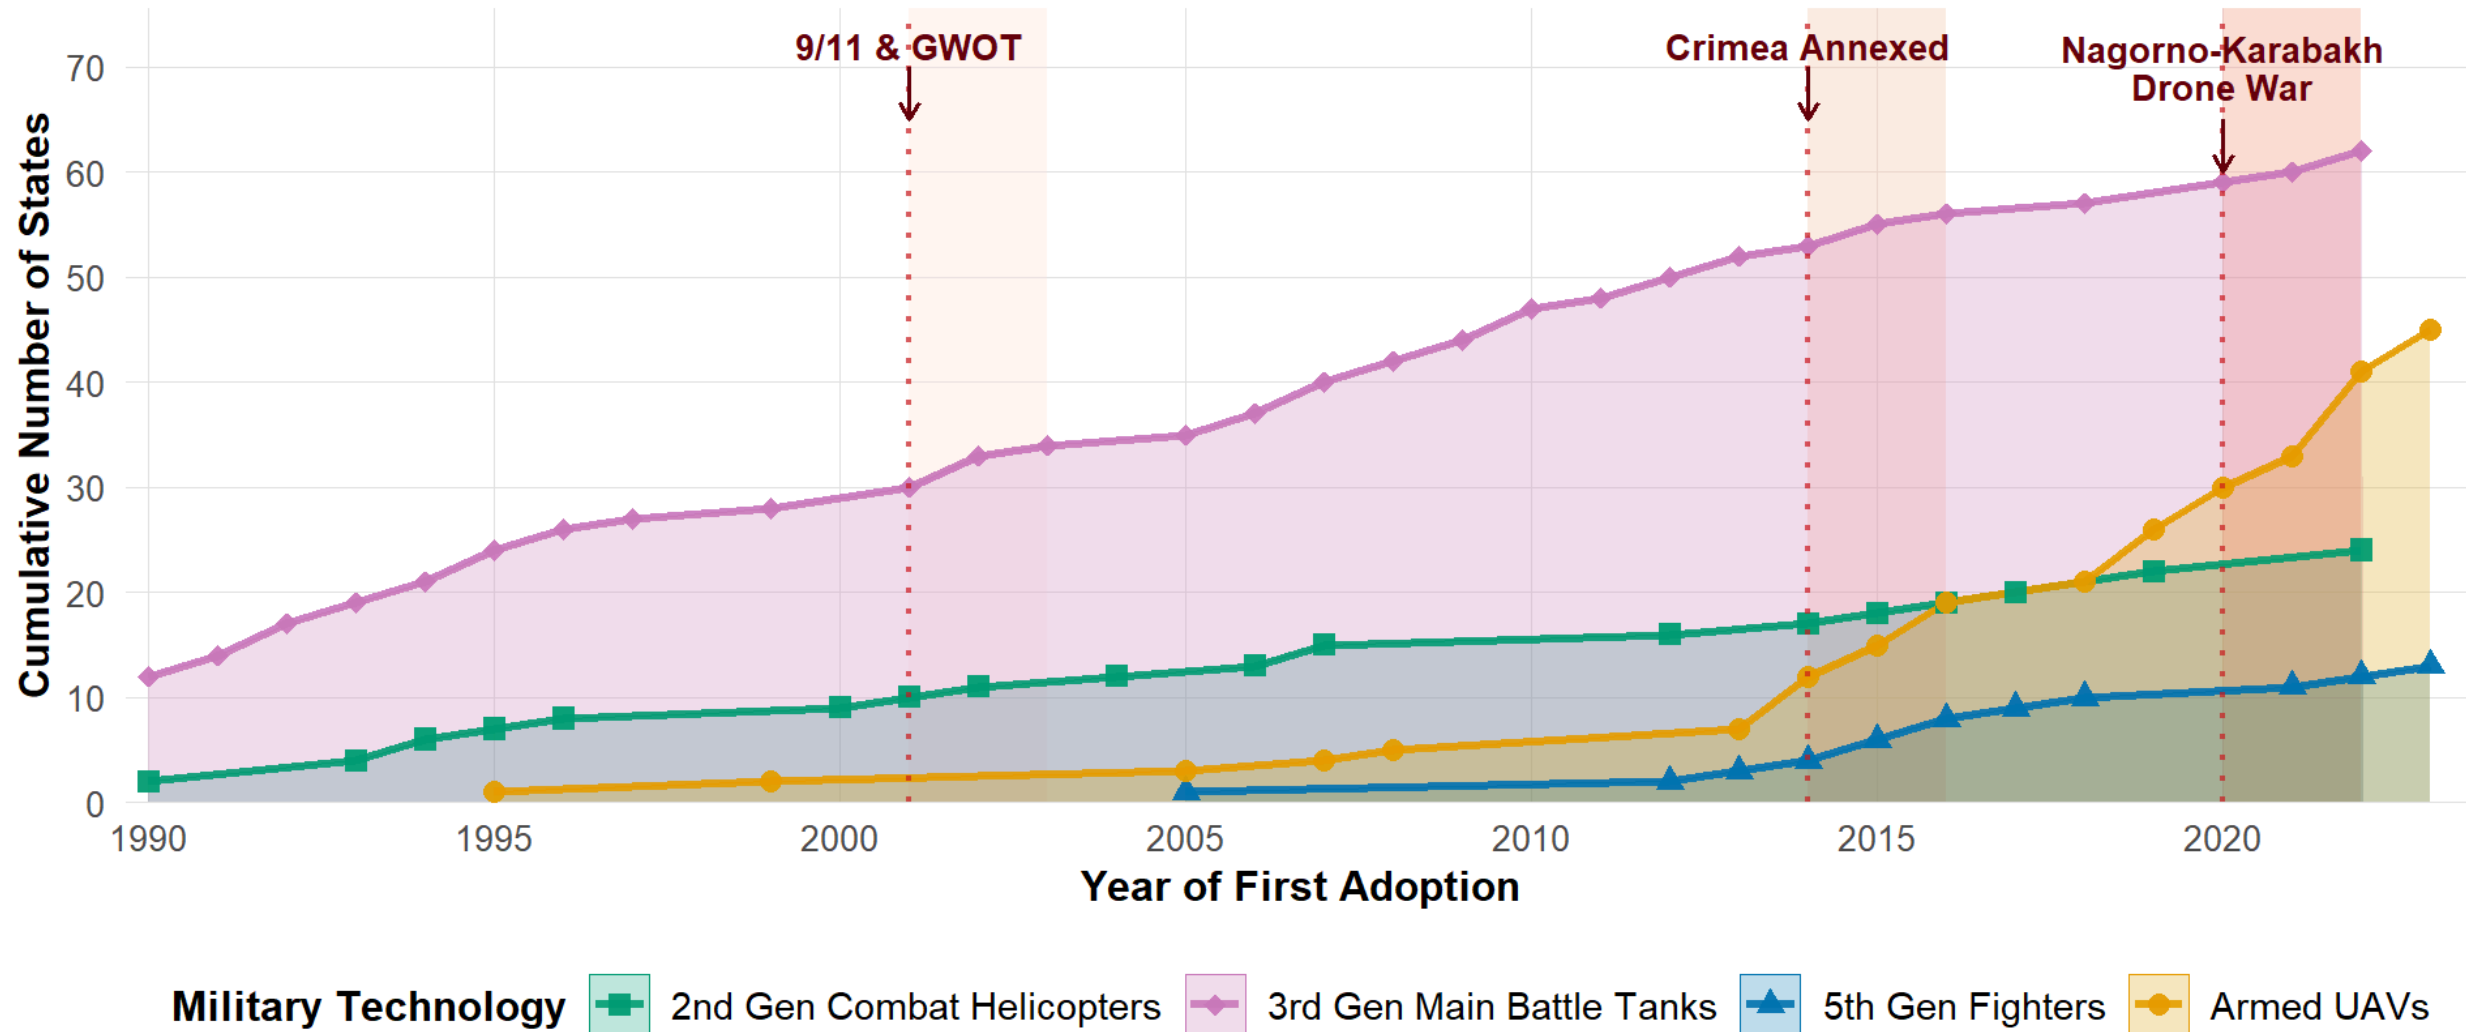

Early adopters in the U.S., Israel, U.K., Iran, and China

Adoption of UAVs vs. Legacy Platforms

Armed UAV adoption is spreading faster than any other advanced military technology

Armed UAVs: The Fastest Military Technology Diffusion in Modern History

Source: COW Arms Technology Dataset v1.0 (2025). Shaded areas show adoption trajectories. Colorblind friendly.
